## **Cruise Prep Checklist**

Prep these items the night before so you are ready to go in the morning!

### **LUGGAGE TAGS**

Place your cruise luggage tags on each suitcase. You printed these at home before leaving for your trip! You can also remove your airline tags at this time.

### **BACKPACK / TOTE BAG**

Since you drop your luggage before embarkation, you will need to bring a carry-on backpack or tote bag(s) on the ship with you. I highly recommend you include the following items in this bag(s)

- Medicine including prescriptions
- Jewelry
- Glasses and Sunglasses
- Swim Suits & cover up if you plan to swim before your room is open
- Pool Shoes
- Sunscreen
- Hat(s)
- Phone cables or portable chargers
- Laptops, Kindle, iPads, etc
- Camera
- Reading materials
- Toiletries - feminine products or anything you would want to use to freshen up before dinner should you not get in your room before
